Project Adventure Kids is a foster program for kids 12-22 to let them get a second chance at life and they need your help. The state has cut their budget anywhere from 30 to 50% depending on the program. School supplies, transportation, educational dollars have been severely cut back, along with the clothing dollars for the kids completely withdrawn from the budget. We have 80 kids to support and with these major cuts, now more than ever, we need your donations and contributions to keep going. We are making a difference in these kid's lives but we need your help! We are a registered 501c3 non-profit.

Our office will be a collection point if you want to donate clothes, coats school supplies or any items off of their wish list. Together we can help keep a Smile on their faces for the holidays.

For more information contact Rebecca at our office 404-255-6782. Or go to

www.ProjectAdventureKids.org to find out more on this great program and to see what is on their wish

list.
